

Executive Director of EcoLiving Events inspires the volunteers

Pathway and River Clean-up at Bowmount Park

Judi helps students in Tuscany with their composting project

“I am 100 percent behind Judi because I believe she is the best candidate for Ward 1. I have known Judi for many years; she remembers everybody, can be counted on to take decisive action and will not give up on a good cause.”

Dave Spencer - Ward 1 Resident  
Stantec

“I had the pleasure of working along side Judi on a variety of environmental projects. I was always impressed with her energy, her commitment, and her level-headedness. She is a truly inclusive thinker and would make a fine alderman.”

Dave Poulton  
Former Executive Director,  
Canadian Parks and Wilderness Society

“As a long time resident in Ward 1, I'm excited to see there is a candidate who lives in the ward, has real life experience and has a fresh new approach to making Calgary a healthier place for all. Judi has proven leadership skills and the courage to stand up and speak out when something needs to be addressed. We need change in this ward. Judi has my vote on October 18th.”

Dr. Robert C Dickson - Ward 1 Resident  
Calgary, AB T3A 2M7

## Achieving Results, Engaging Community

Elect

*Judi Vandenbrink*

Aldermanic Candidate for Ward 1

“Calgary is a great place to live. We have so many advantages with our natural environment and economic base. Let's create more *Sense of Community*, take better care of each other, and feel proud of being a Calgarian.”

## Get Inspired!

Judi Vandenbrink is a longtime resident of Ward 1 and is ready to use her skills to be your Alderman.

Judi believes in open dialogue and has developed real life skills to move people forward and get things done. Her spirit and passion for community is exemplified in her many volunteer roles and her commitment to working with Calgary youth.

Judi has shown strong fiscal responsibility through her proven fundraising and management record. She has the ability to inspire people to work as a team focusing on issues such as social wellness, business revitalization, transportation and the environment.
